Principal's Report: Bill Roach College Exams started Wednesday and end Monday. High school exams are Tuesday through Friday. Arts Intercession, Wendy is working tirelessly to get everything working. Rebecca Suddeth is working with Julie Gienelli on the main campus on second semester college classes. Some students did not keep a GPA high enough to stay in college classes. We have a bus now that seats 25, purchased on Wed for \$2,000.00. Athletics, Basketball: first home game is Monday night.

Development Report: Melanie Bargar Attended an open house at Langston Charter Middle School last night to have a presence for GTCCHS, help parents be aware of our school. Campus tours are very busy. Public Relations: attended four sales meetings with realtors to tell them about our school so they could make potential buyers. Chamber events: Greer Chamber came out and filmed a brief video at the school which is up on their web site. Quality of Life publication is going to highlight our school in the GA publication. Meeting with Nancy Welch soon. Melanie and Bill will be attending a Power Breakfast with Greer Chamber of Commerce, making connection with Greater Greer Rotary. Banner sales have gone well. Students sent hand written thank you notes to everyone who ordered a banner. Capital Campaign Committee has shown good response. Melanie met with Brashier about their fundraising and, similar to Brashier, we are considering having a family spring fundraiser of our own.

Facilities Report: Keith Jones reported that they have now moved the steps and are starting the ramp for the new building. Smoke and fire inspections took place today. Electrical: getting proposal for all the new buildings for next year so we will not have to wait for the electrical plan. Plumbing will be finished on Tuesday when the office and rest room facilities hook ups are completed. They will also check the connection and drain for the Science building.

Motion was made to adjourn by Tami Jacques, 2nd by Mark Sears.

Meeting adjourned at 7 PM.
