

HIS 201 Study Guide

Test 1

Good luck studying for this test! It looks like her review sheet is pretty detailed. Make sure you are studying for the essay questions as those tend to count more than multiple choice. I would definitely review her study sheet and use this one. I may miss some things that she is counting on. So just check it to make sure! When answering questions provide as much information as you know before having to look it up. Good luck! 😊
