**Check every day!** This is where you will find your grades, assignments, syllabus, schedule, due dates, etc.

Where you will find student information, current class schedule, you may check this a few times a year.

**Check every day!** Use this email only to communicate with professors and fellow classmates.

Need to find your class on GTC4me?

- Log in using-gts\username and password
- Go to webadvisor
- Go to academics
- Check class schedule
- Fall 2017

This will show you where your class meets and what time!

I am taking: \_\_\_\_\_

The room # is \_\_\_\_\_

## **Things to Remember:**

Blackboard classes will be loaded by  
**SUNDAY NIGHT!**

Be **ON TIME** (*aka early*) for class.

CPT 170 only meets **one** day a week. The other day you should go to College Seminar.

Remember to sign in and out in the lobby of GMC.

BIO 101 has lab **only once** a week. Please be in College Seminar when you do not have lab.

**DO NOT** leave more than 15 minutes before college class. **DO NOT** return from college past 15 minutes.

If you have leftover time from college before high school class you must be in the college seminar room.

*You're gonna do great! I'm always here for you if you need me! Good luck! Love you ☺*
