

# 2019 GMCCHS Board of Director Election

## Candidate Bios and Sample Ballot

Candidate – Kimberly Hall

As a parent with two students at Greer Middle College, I have benefited greatly from the top-notch education my sons have been offered; I would love to give back as a member of the Board.

My experience of 27 years as a pediatric nurse has given me a broad array of skill sets from dealing with parents and clients, to organizing fund raisers for special needs. I have an incredible love of children and their need for safety, education, and support. I have also served as a Middle School Administrator for a Co-op of 480 students and have learned the academic side with choosing curriculum and being a liaison between students, parents, and teachers.

I have served the last two years on PIP here at GMC, with the last year as Chair of lunch services. It has been a privilege, though difficult at times, to coordinate our numerous hours of parent volunteers and establish our relations with vendors. I was able to assist with the move of the Cafe into our new facility and I look forward to our progression into our new Athletic Building.

It would be an honor to serve on the Board as we move into the next phase here at Greer Middle College.

Candidate – Hannah Mahaffey

My name is Hannah Mahaffey and I would appreciate the opportunity to serve on the Board of Directors for Greer Middle College Charter High School. I am a native of Greenville and have worked as the Business Development Manager for Greenville Federal Credit Union for over three years, focusing on building community and corporate relationships and leading our financial wellness program. I attended Clemson University, where I received my degree in Marketing and Management, and remained involved in the university through IPTAY and Clemson Young Alumni. I served on the Board of Directors for Greer Relief and Resources for two years (2017 & 2018), during which time I was appointed as the Secretary of the Executive Committee and the Chair of the Golf Committee. I currently sit on the Title I Planning Committee for Westcliffe Elementary School, the Greater Greer Chamber of Commerce's Membership Committee, and the Greater Greer Chamber of Commerce's Leadership Development Council. I have enjoyed being involved with Greer Middle College through the credit union's Company Partner Program, Spirit Week corporate sponsorships and serving as a judge for senior project presentations. If elected to serve on the Board of Directors I would assist the school in growing corporate partnerships, increasing brand presence in the community and building a lasting legacy that both teachers and students can be proud of.

Candidate – Darin Scheidly

As a current GMC board member, I have enjoyed the opportunity to experience the impact a strong staff and board can have on the growth of a school. GMC continues to reach new milestones in education, community interaction and extracurricular activities. As we look to the 2019 -2020 school year, I would like to be a part of the schools development as a board member. With the start of GMC's long awaited athletic facility and expanded classrooms, there will be more on the horizon for all current and hopefully students should be proud to call GMC home. Having assisted with the boys soccer team for the past few years and having graduated two students and one to graduate next year, I have first hand witnessed GMC's commitment to the student programs, education and self development leading to a very well rounded young adults.

I would be honored for your vote and confidence to remain on the GMC board for the upcoming term. Thank you
